

ALSO® PROVIDER COURSE

An educational program designed to enhance cognitive and procedural skills of health care professionals to help them manage obstetrical emergencies

OVERALL COURSE OBJECTIVES:

- Discuss ways of improving the management of obstetrical urgencies and emergencies which may help standardize the skills of practicing maternity care providers.
- Discuss the importance of utilizing regional maternity care services and identify possible barriers which might limit access.
- Successfully complete the course written test and megadelivery testing station.

Detailed educational objectives are listed at the beginning of each ALSO® Course Syllabus chapter.

CME & CNE INFORMATION

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

ADDITIONAL INFORMATIONAL MATERIAL AS NEEDED

COURSE DISCLAIMER

The material presented at this course is being made available by the American Academy of Family Physicians for educational purposes only. This material is not intended to represent the only, nor necessarily the best, methods or procedures appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement, or opinion of the faculty which may be helpful to others who face similar situations.

The AAFP disclaims any and all liability for injury, or other damages, resulting to any individual attending this course and for all claims which may arise out of the use of the techniques demonstrated therein by such individuals, whether these claims shall be asserted by a physician, or any other person.

Every effort has been made to assure the accuracy of the data presented at this course. Physicians may care to check specific details, such as drug doses and contraindications, etc., in standard sources prior to clinical application.

This Course has been determined to be a Level 2 classification under the AMA PRA Credit and Classification Guidelines. The AAFP does not certify competence upon completion of the ALSO® Provider Course.

At the completion of this course and upon receipt of the sponsor's post-course materials, ALSO program staff will create letters of participation for all participants. Wallet cards will be included on the letters for those who successfully complete both the written and hands-on exams (scoring at least 70% on each). These letters will be distributed to participants by the course sponsor.

Physician	\$450
Nurse/Cert. Nurse Midwife	\$400
